

Announcing The Return of the *10,000 Lakes Concours d'Elegance*

New Date! New Location! New Beneficiary!

Historic & extraordinary collection of automobiles to
adorn the grassy infield at Canterbury Park

Following a few years of “detours,” we are thrilled to announce the return of the *10,000 Lakes Concours d’Elegance*.

Mark your Calendars for Sunday, September 15, 2024, from 10 a.m. until 4 p.m. at Canterbury Park (1100 Canterbury Road, Shakopee, Minnesota).

Stroll through the grassy infield, meet the owners of historic vehicles, and enjoy a day of relaxation, live jazz, fine foods, wines, and more. At this new venue, there will be an array of historically significant tractors and motorcycles as well.

Tickets are \$25 per person. Children 16 and under and active or retired military members will receive free admission (ID check required at the gate).

The proceeds will benefit the patients and families at Gillette Children’s, a pediatric specialty care provider focused on diagnosing and treating complex brain, bone, and movement conditions in children.

Do you want to be a participant?

Fill out an application today!

Please send in your applications, which are available on our website.
We will be collecting applications for the following categories:

Automobiles — Motorcycles — Tractors

The Selection Committee will review each application with the utmost consideration.
